

About me

NICE TO MEET YOU

Hey! I'm Jean-Luc and I'm a wedding photographer in the beautiful city of Cambridge, but I shoot weddings all over the UK and abroad.

My favourite things in the world are cheese and nice red wine (mainly French and Italian). My love of people is what inspired me to become a wedding photographer. I've been a photographer for over 20 years and I absolutely love it.

If you would like me to capture your wedding photography, then get in touch!

WHAT TO EXPECT

BEFORE THE WEDDING

To get started, we'll meet up either on Skype or at a location of your choice to discuss what your end result will look like. We can talk about your plans and ideas, discuss location details and other things you would like to go over.

THE DAY OF THE WEDDING

We will meet at our agreed location and time and I'll start shooting! It will be a fun day filled with happy moments and emotion, you just bring your best smile! I will cover the day until you are happy for me to leave.

AFTER YOUR WEDDING

I will work promptly to edit your photos and get them to you ASAP. I will post some favorites to social media in which you will be tagged. Within a month max of the wedding, you will receive your online gallery link.
